Subject: letter of recommendation for Nicola Marinelli

Dear Madam, dear Sir,

Mr. Nicola Marinelli worked with me from May 2025 onwards on the back office of the Single Digital Gateway services. I am the desk officer responsible for the business perspective of the assistance services that are findable through this search tool: <https://asf.youreurope.europa.eu/?lang=en>. Tasks of Mr. Marinelli in this context were among others to update and develop the data bases supporting the tool, to prepare regular releases, to expand it to new services that we onboarded, to deal with the related translation requests and to trouble shoot and fix bugs and issues reported by users of the back office.

Mr. Marinelli has always performed these tasks very promptly, efficiently, thoroughly and to my full satisfaction. He was always punctual and reliable for both meetings and deadlines for delivering agreed outputs.

I wish him all the best for his professional future.

Yours sincerely,

Dietrich Drüner
