History: This message has been forwarded.

Nicola,

During two years in the prokect we worked

-Nicola has a demonstrated he was able to manage and prioritize requirements for his projects.

-He demonstrated skills in project reporting and escalation project.

-Nicola has demonstrated personal involvement and responsiveness and nether give up when issues raised in his project.

-He need to improve understanding how organizations are running. It will help him in his projects to gain efficency in communication with the stakeholders.

Regards.

Marc Galabert
