# Certification of Translation Accuracy

## Translation of Document from Italian to English (USA)

We, Translayte, a professional translation services company and ATA Member (#275635), having no relation to the client, hereby certify that the annexed English (USA) translation of the Italian document, executed by us, is to the best of our knowledge and belief, a true and accurate translation of the original document, likewise annexed hereunto.

This is to certify the correctness of the translation only. We do not guarantee that the original is a genuine document, or that the statements contained in the original document are true. Further, Translayte assumes no liability for the way in which the translation is used by the customer or any third party, including end-users of the translation.

A copy of the translation, and original files presented, are attached to this certification.
